

INTERNET SAFETY PLEDGE

- I will not give out personal information such as my address, telephone number, parents work number or address, or name and address of my school without my parents permission.
- I will tell my parents right away if I come across information that make me feel uncomfortable.
- I will never agree to get together with someone I meet online without first checking with my parents. If they agree, I will then be sure it is in a public place and that one of my parents is with me.
- I will never send my picture or anything else without first checking with my parents.
- I will not respond to any messages that are mean or make me feel uncomfortable. It is not my fault if I get a message like that, and if I do, I will tell my parents immediately so they can contact our online service.
- I will always talk with my parents so we can set up rules for going online. We will decide upon a time of day and length of time I can be online and appropriate areas I can visit. I will not access any information I have not been ok'd to use.
